

THE STEVEN KENT WINERY

## 2019 ROSÉ Sheldon Hills Vineyard | Sloughhouse

### HARVEST NOTES

One of the profound gifts of making wine in the Golden State is the temperate nature of the climate. While some regions are naturally cooler or warmer than others, we rarely have to deal with dramatic climatic effects that have destroyed many seasons in Europe over the centuries.

### VINEYARD NOTES

The 2019 Rosé was crafted from fruit grown on the spectacular, head-trained Sheldon Hills Vineyard in Elk Grove at the northern tip of the Lodi appellation. Harvested at low-sugar to maintain acidity and keep alcohol levels down, we did the absolute least we could do in the winery, preferring—instead—to make an honest, self-possessed wine having only what it needs...and nothing it doesn't!

### TASTING NOTES

The perfect summer wine! Lively and refreshing with aromas and flavors of strawberries, watermelon rind, pink grapefruit, hibiscus tea, honeydew melon. and white peach.

### WINE STATISTICS
